School Governance

Governance Structure Statement

Holy Rosary Primary School is an unincorporated organisation registered with the Australian Business Register. The responsibility for governance of Holy Rosary School rests with the Canonical Administrator, Father Peter Dell’Avo, Parish Priest of Holy Rosary (Our Lady of the Rosary) Parish, White Hills.

The Canonical Administrator has delegated authorities for the strategic and operational actions of the school to the Principal, Mr Paul Wilkinson.

Holy Rosary Primary School has a School Board that acts in an advisory capacity. In the Sandhurst context governance of a Catholic School is about the legal and moral responsibility for the overall stewardship of the school: deciding its mission, vision and values and determining the overarching policies about how it operates.
