PRINCIPAL'S REPORT

This week we celebrate Book Week with the theme, "Read, Grow, Inspire."

This theme encapsulates the very heart of reading – the transformative journey that takes us from the pages of a book to the depths of our own minds.

"Read, Grow, Inspire" encourages us all to immerse ourselves in the

world of words, where stories become stepping stones for personal growth. As we turn each page, we nurture our intellect, expand our horizons, and ignite the flames of inspiration within us.

Join us for a week that celebrates not only the joy of reading but also the profound impact it has on our lives. Let's embark on this literary adventure together, embracing the power of books to shape our minds and souls. The parade at 9.15am on Friday with dress up is the culmination of a week focussed on literacy and the joy of books. Get ready to read, grow, and be inspired!

In Sunday's gospel, a Canaanite woman approached Jesus as a petitioner asking Jesus to heal her daughter. At first Jesus put her off by implying that she was not part of the salvation plan. She determined that she was and through her faith and recognition of Jesus as Lord knew that he could heal her daughter. Jesus initially seems hesitant to assist her due to her cultural and ethnic background. However, the woman's unwavering faith and determination moved Jesus, and he ultimately commends her faith and grants her request, healing her daughter.

It highlights the importance of breaking down cultural and social barriers. Jesus' initial response might be seen as a reflection of the prevailing attitudes of his time, where there was division between different ethnic and religious groups. However, the woman's persistence challenges these divisions and emphasizes the value of treating all individuals with compassion and respect, regardless of their background.

Second, the story showcases the power of empathy and understanding. Jesus' eventual response to the woman's plea demonstrates a shift in perspective. He recognizes the depth of her faith and her genuine need for help, leading to a transformation in his actions. This can be seen as an example of inclusion in action, where initial biases or prejudices are replaced with empathy and a recognition of shared humanity.

The Gospel serves as a reminder of the importance of inclusivity, breaking down barriers and recognizing the value of every individual, irrespective of their background or identity. The story encourages us to embrace a mindset of understanding, compassion and empathy, aligning with the principles of inclusion and promoting a more harmonious and just society.

Next week our Grade 4 children will be heading to Camp Kookaburra, Corop. For many it will be their first opportunity to be away from home and it will also provide activities that will be both fun and at the same time challenging, while being out of their comfort zones. Again there has been a huge amount of work to prepare for the two days and I certainly appreciate the staff who again take the time away from their families and the comforts of home to support the experience.

VIETNAM REMEMBRANCE

Last week our nation celebrated the 50th Anniversary of the withdrawal of combat troops in 1972, the end of the Vietnam war. 2023 also marks 60 years since the arrival of the Australian Army Training Team (AATTV) in South Vietnam on 3 August 1962. The Australian Government marked the occasion with a national Commemorative Service, televised by the ABC on the Friday 18th August.

Paul Reidy was one of a large family who attended Holy Rosary in the formative years of the parish and the school's expansion era. He spent a third of his short life at our school. His family was devoted to the parish and the school and they contributed greatly to what the school has become today. At age 20 he was randomly conscripted and sent to Vietnam, where he was tragically killed in May 1969, leaving a grieving family and fiancée at home.

A vigil service was also held across the Nation on the 3rd August, including White Hills and whilst we were unable to attend, Mr Wilkinson was able to spend some reflective time at his grave last week to remember the fallen, including our own Paul Reidy RIP. We are sure everyone shares our pride in those who served and will endeavour to honour and be thankful for their service.

GOOGABINJ – INDIGENOUS CULTURE & DANCE INCURSION

On Friday 1st September, we will be welcoming Craig Kemp to Holy Rosary for our whole school Googabinj Indigenous Culture & Dance Incursion.

Googabinj, the Australian Bush Turkey is Craig Kemp's spirit animal. Craig is a Ghungalu man from central Qld who takes great pride and pleasure in passing on the traditions and culture of his family.

The session starts with a story about a young boy who is so uncontrollable that the tribe send him off to his uncle, a wise tribal elder. Throughout this story Craig displays his wonderful collection of native artefacts and weapons and demonstrates how his hunter gatherer ancestors made very effective hunting tools like the boomerang, spear, nulla nulla and woomera from the natural environment. Baskets and bags were also made and used to carry fruits and vegetables.

Students will learn traditional greetings, to dance as Emus, Kangaroos and other Australian animals and enjoy guessing which animals and birds Craig is impersonating on one of his colourful didgeridoos.

HEAD LICE

We have reports of head lice in some classrooms. Many head lice do not cause an itch, so you have to look carefully to find them. We ask all parents to please check their children’s hair regularly, especially at change of seasons, and treat if necessary. Once hair has been treated, children can be returned to school. Anyone can get head lice and given the chance, head lice move from head to head without discrimination (washed or unwashed hair, it does not matter). Children get head lice from direct hair to hair contact with another person who has head lice. This can happen when children play, cuddle or work close together. They do not have wings or jumping legs so they cannot fly or jump from head to head. They can only crawl.

Food items often available include:

- Tinned Spaghetti
- Pasta Sauce
- Rice
- Vegetables
- Frozen items
- Wraps
- Milk
- Bread

FoodShare is located in the Rosarium building, in the room directly inside of the big glass doors that you enter through. Bags are available to fill with what you require. There is no need to ask before taking, we welcome you to come and just take what you may need.

MS READATHON

The Brennan Trio are participating in the MS readathon and have been busy reading away! They are looking for people to donate and help raise vital funds for people living with MS. If you are able to donate to this great cause, the Brennan's fundraising link is;

<https://www.msreadathon.org.au/s/237704/268049>

Reading is pretty magical. It brings you to mythical worlds and takes you on fantastical adventures.

But in August, reading is extra-special. It's when you can join the MS Readathon. For the whole month, every time you read, you'll help raise money for kids with multiple sclerosis and their families.

There are thousands of families living with MS in Australia. All funds raised from the MS Readathon will help fund vital support and services, which include residential and in-home care, speech therapy and physio, camps, and fun days. MS Family Camps and Fun Days are in huge demand, for these families it is a rare chance to have a fun time with all the care and support their family needs.

HOLY ROSARY NETBALL CLUB – 2023 WINTER SEASON WRAP UP

The Holy Rosary Netball club saw our teams wrap up their 2023 Winter Season this week, playing their last match at the Bendigo Strathdale Netball Association (BSNA) on Saturday.

All our netballers have represented Holy Rosary incredibly well – we saw growth mindsets, resilience and team work all season. Well done to all our players! We hope to see our Grade 3, 4 and 5 players back next year! Also, a special well done to our Grade 6 crew, who are playing their last year in the blue dress!

A huge thank you to all those involved in getting the kids on the court each week, especially our coaches (Lindy Vance, Bec Fitzpatrick, Susie Young and Emily Roberts) and all the grownups who helped as primary carers, scorers and more! Also, a special thanks to Anne Dillon who helps all year behind the scenes with uniforms and our club breakup.

We will share details of our Spring Program shortly – including Twilight at the BSNA, NetSetGO! and hopefully a boys team during Term 4! Watch this space! - Ben Dillon (HR Netball Club Coordinator)
