PRINCIPAL'S REPORT

Last week I had the opportunity to attend the Grade 1 excursion to Echuca. It was a fantastic learning opportunity and plenty of fun. It was great to share in the wonderful enthusiasm and genuine excitement of the group. Thanks to Mrs Watson, Mrs Zimmer and Mrs Matheson for the work in organising the day as well as Mrs Johns and Miss Lothian who ensured the day was a great success.

Today we celebrate Remembrance Day in memory of all who have died or fought in conflicts protecting our country. We had a short service and a minute of silence prior to recess. As time passes the day can only grow in significance as our children continue to appreciate the great country in which we live.

*God of peace you call us to peace,
Peace within and peace without
Peace before us and peace behind us
Peace on our right and peace on our left.
Christ of Peace you call us to peace,
Peace with our brother and with our sister,
Peace with our neighbour and with the stranger
Peace with friends and with foes
Spirit of peace you call us to peace,
Peace in work and in play
Peace in thought and in deed
Peace in word and action
Grant us peace, O God of peace.*

Finally a reminder that we have our Learning conversations next week, a great opportunity to celebrate your child's learning and achievements this year.

Catholic Identity

INTERNATIONAL DAY FOR TOLERANCE

Saturday 16th November is International Tolerance Day. This day was created to encourage mindfulness and faith in human rights. Racial or religious background should be inconsequential to friendship opportunities. This belief aligns beautifully with school charism - As a Mercy school we pride ourselves on humility, embracing and celebrating differences without fear of bias or ridicule.

ST VINNIES CHRISTMAS HAMPER DRIVE - DONATIONS DUE BY FRIDAY 6TH DECEMBER

Christmas can be a very difficult time of year for many, and the basic human rights of food and shelter can often be taken for granted. St Vincent De Paul is a charitable organisation that provides support to needy families and senior citizens in many ways. During November we will be collecting non perishable food donations in support of St Vinnies Christmas Appeal. A collection basket has been placed in your child's classroom in support of this worthy cause. Together, we can make a difference.

Each grade has been assigned a specific category so we can capture a more diverse selection of items:

Foundation: Toiletries - soap, toilet rolls, toothpaste/brush, powder, hand sanitiser

Grade 1: Grains and Pasta - rice, pasta, soups, noodles

Grade 2: Tinned Foods - beetroot, soup, tuna, baked beans, corn, peas, pasta sauces

Grade 3: Holiday Treats - chocolate, lollies, sweet biscuits, Christmas cake

Grade 4: Savoury Items - dry biscuits, shapes, rice cakes, nuts, chips, popcorn

Grade 5: Condiments - jams, sauces, vegemite, peanut butter, maple syrup

Grade 6: Breakfast Cereals - oats, corn Flakes, pancake mixes, long-life milk and custard

COMMUNITY MASSES

Our final house Mass will be held for Frayne families on Saturday 23rd November at 6pm.

TERM 4 PARENT TEACHER LEARNING CONVERSATIONS

Bookings for the Term 4 Parent Teacher Learning Conversations are open and can now be made using your PAM account online and via the Simon Everywhere App. We will be using Simon Everywhere frequently in 2020, so please consider downloading the app if you haven't already done so.

The Term 4 Learning Conversations will provide families with the opportunity to discuss and review student progress and learning throughout the year. Learning Portfolios and Semester 2 Reports will be released later in the Term. All families are strongly encouraged to make a booking for their child/ren (please only one booking per child). If you require any assistance in booking your Learning Conversation, please speak to the Office or Mrs Carter.

Learning Conversation Dates & Student Collection Points

Monday 18th November (Please note this is a Pupil Free Day)

Tuesday 19th November (Collection for Grades 1-4~ Ted's Shed; Grades 5&6~ Rosarium)

SIMON EVERYWHERE

Holy Rosary now has access to SIMON Everywhere!

SIMON Everywhere is an app available on android and apple devices that will allow you to access your PAM account when you're on the go. SIMON Everywhere also includes a push notification feature, allowing the school to easily communicate with parents!

We encourage all families to install SIMON Everywhere as we will be using it for notifications home (rather than texts) and expanding our PAM usage to include excursion permissions from 2020 onwards.

Please see the office if you require more information on how to download and use the app.

VISUAL ARTS

Good luck to all the students who have entered the "Aussie Christmas Card" competition organised by Jacinta Allan. I am very proud of the students in Grades 4, 5 and 6 who chose to enter the competition. They have put in a lot of effort.

A reminder that the opening of The Mackillop Exhibition is this Friday 15th November at the Sacred Heart Cathedral from 6pm to 8pm. You can see this exhibition of art works from students in the Sandhurst Diocese up to the 1st December.

DIRECT DEBITS 2020

Due to changes with our administration system we have decided to reduce our direct debit options from 2020 onwards.

For 2020 we will be offering two frequency options:

Direct Debit Frequency	Commencement Date
Fortnightly (odd weeks)	Thursday 30 th January 2020
Fortnightly (even weeks)	Thursday 6 th February 2020

Letters were sent home to Direct Debit families on weekly, monthly and term frequency last week. A return slip was included to indicate your preference for next year.

If you would like to start a new direct debit for your school fees next year please drop in to the school office and pick up a Direct Debit Request form.

CHILDREN'S CHATTER MATTERS

Ten activities will be provided each term focusing on key areas of oral language supporting literacy, learning and socialising. Feel free to adjust these activities according to your child's grade level.

If you have any questions you can contact Peta Mazurak, Ed. Speech Pathologist through the School's Learner Diversity Coordinator, Mandy Antoniadis. Good luck and most importantly enjoy this very special time with your child.

6. Modelling and recasting

Focus: Using longer and more complex sentences

Modelling and recasting are natural strategies that parents and teachers use as children are learning language. Using these strategies in a more structured way helps children learn the language rules they need to use language appropriately across a variety of situations. These strategies help a child focus on the rules they need to learn. When a child makes an error, the child hears the correct use of language and over time will master it by themselves.

Modelling - providing a good model all the time requires you to use:

- An unhurried speech rate
- Clear speech
- Short sentences
- Appropriate vocabulary
- More repetition and re-stating than you would use if you were talking to another adult

Recasting – repeat a sentence that corrects an error the child has made or expands the sentence used. The key to recasting is that it immediately follows the child's sentence and it maintains the meaning of the sentence. Recasting sentences usually occurs without actually correcting the child, that is, you don't actually need to make the child repeat the corrected sentences. The main idea is to 'feed' the correct form back to the child to let them hear it and this should occur naturally as part of conversation. Good recasting occurs without overt criticism, without interrupting the flow of communication and without getting in the way of listening. When you notice you have 'recasted' remember to do it again for the same structure 2 or 3 times later in the same day.

CATHERINE MCAULEY AWARD

Congratulations to Zara Kaplan (FTT) on winning this week's Catherine McAuley Award. Congratulations also to the other people who had their names put in the box this week.

Last Friday my friends and I went to Twisted in Echuca. First we went to the work shop. We learned about insects and we did activities. We got to be mozzies, flies and butterflies. Next we had free time in the Fun Zone. My favourite thing was the foam blocks and all of the animals. I held a the lizard. I had an amazing time! - *Maddy Gibbons (1WZ)*

Last Friday we went to Twisted Echuca. First we got to look at the glass insects. Next we got to explore the fun zone. I played with the building blocks and I held the lizard. I played with the button game and I played with the tunnels.
