## PRINCIPAL'S REPORT

It is hard to believe we are entering the final week of Term 1! Looking back, it's great to reflect on the many different things that make Holy Rosary a great place to be. The small hiccup of lockdown mid-term allowed us to reflect on the opportunity to be at school as we move forward. It has been great to see the Foundation students settle in and at the other end of the school, our Grade 6 children have certainly stepped up as leaders. We look forward to camps and excursions next term and building on these skills.

#### **LEARNING CONVERSATIONS**

We were very happy and received great feedback around our earlier timing for learning conversations and will be again having our second round early in Term 2.

We will have a FULL DAY on Friday 23rd of April from 8.40 am - 4.00pm as well as an EVENING on Monday 26th of April from 3.40pm - 7.00pm.

Bookings will open today for next term and can be made via PAM for either an in person or a virtual meeting. Our Learning Conversations are an important part of the assessment and reporting policy at Holy Rosary. Please take the time to make a booking. The input of families is important to enhancing the educational partnership between home and school.

#### **2022 ENROLMENTS**

As we only take limited numbers for enrolment I need to make sure existing families are catered for first. If you have a child starting in Foundation next year, could you please contact the office and let us know so that we can put your child on our list. Enrolments for new families will begin at the start of Term 2, so spread the word and we look forward to welcoming them to our school.

#### TENNIS COURT DRIVE THROUGH

Our school drive through has worked really well, creating a safe place to drop off and pick up children as well as contributing to flow of traffic. Please remember to enter and exit through the cones, and move on rather than waiting for extended periods to support the flow of all traffic. The City of Greater Bendigo have complimented the introduction as they monitor parking and traffic and I thank everyone for their support in this area.

#### **STAFF NEWS**

Angela Holdaway, our LOTE/STEM teacher, has successfully been appointed to the Discovery Centre as leader of the Early years program. After 7 years of service to Holy Rosary we wish her well in her future endeavours and thank Angela for her contribution to our school. We will be working through a process to find a replacement as soon as possible in the coming weeks.

Mrs Goodbody will be taking leave for the first 4 weeks of Term 2, and we wish her all the best for her well earned break. In her absence Mrs Cass Beavis will work with Mrs Baber to ensure continuity of education for the FBG class.

#### **TERM HOLIDAYS**

Our final day of Term is this Thursday with dismissal at 2.15pm (2.10 for buses). I wish everyone a safe and happy Easter, a time to spend with families and friends and celebrate the centre of our Catholic faith, the Resurrection of Jesus. Thank you to everyone for making Term 1 a really positive start to the year.

#### **COMMUNITY MASSES**

Thank you to the staff and families that attended our Harte house mass at the weekend. It was lovely to see everyone who came together to celebrate Palm Sunday. Our next community Mass will be for McAuley house on Saturday 1st May at 6pm.

#### **SACRAMENTAL PROGRAM**

Thank you to the many parents who have spoken to me regarding sacraments. Please ensure you save all the dates provided to you in your diaries. There will be no alternative meetings scheduled and it is extremely important that you attend these sessions with your child. Non-attendance at meetings will impact your child's sacramental progression. If you believe your child is participating in either Confirmation or Eucharist and you have not received this information please contact Jo Thurley ASAP.

#### **CARITAS**

Our Grade 6 leadership team will be running some interactive games on the tennis courts this week during PLAY 1. Their aim is to raise as much money as they can for Caritas. If your child would like to participate in the fun, please send them to school with a gold coin donation.

#### **HOLY WEEK**

As we enter Holy Week, we continue to reflect on the lives of people vulnerable to extreme poverty and injustice and how we can respond through supporting Caritas Australia's Project Compassion appeal.

Let us take time to remember the life and teachings of Saint Oscar Romero. His many lessons include: live a simple life, commit to bringing peace to the world, speak the truth and of course aspire not to have more, but to be more. Some words from what has become known as the Oscar Romero prayer; "We cannot do everything, and there is a sense of liberation in realizing that. This enables us to do something, and to do it very well. It may be incomplete, but it is a beginning, a step along the way, an opportunity for the Lord's grace to enter and do the rest."

Thank you for supporting Caritas Australia's Project Compassion Campaign. Your generosity will work for the freedom of those living in poverty, challenge unjust structures, and empower people to work for a sustainable way of life.

Please return all Project Compassion boxes and envelopes to the school office by Friday 28th May or donate online via the Caritas website at <a href="lent.caritas.org.au">lent.caritas.org.au</a>

#### THURSDAY MORNING BREAKFAST PROGRAM - DONATIONS NEEDED

Our very popular Thursday morning breakfast happens due to the generosity of many.

Our Vegemite and Milo supplies have been donated by school families in the past, and we are currently running low on our supplies. So, we would like to ask our school community a favour. If any of you are able to donate either a jar of Vegemite or a tin of Milo for our breakfast program, we would be very thankful.

Any donations can be left at the school office, and again, we thank you so very much.

#### **HOLY ROSARY BUS TRAVELLERS**

Holy Rosary is in the process of introducing a new bus booking system. In order to implement the new system, we will need to know what days to expect children to be catching the bus each week. If your child catches the school bus to or from school, please complete a short survey by visiting https://forms.gle/oL7tkcTzPQnYMiks8.

We know that travel plans can vary week to week and we anticipate the new booking system to allow parents to make changes, however please complete the below details based on a 'normal/ideal' week where everything goes to plan! If you use the bus on different days each week, based on work schedules etc, please complete the form based on your anticipated usage for Week 1 of Term 2. Thank you in advance for your help. If you have any questions please contact the school office.

#### **HEALTH & PE WEEK**

This week is Health & PE Week. Teachers are encouraged to run a range of sport and health sessions throughout this week. Each morning we will invite students to participate in some cross-country practice from 8:35 to 8:55 on the oval. We ask students to wear their sports uniform each day of Health & PE Week. Thank you!

#### HOLY ROSARY CROSS COUNTRY 2021 - FRIDAY, APRIL 30TH

On the second Friday back next term, we will have our school Cross Country. While running isn't everyone's favourite thing to do, it's important that all children at Holy Rosary participate. If your child is concerned about the run, perhaps you could take them for a run over the holidays and help boost their confidence and capacity to complete the run. They will be given opportunities to practice their running as part of PE, however as we know, the more exposure we have to something we find challenging, the more comfortable we are with it. Your support in giving your child the best chance to be successful on the day would be greatly appreciated. We encourage parents to come and support their child on the day.

#### **BOREDOM**

With the end of Term upon us, the school holidays are an exciting time for most kids, and can be a stressful time for some parents! With so much time together and kids possibly getting bored, it can be a great idea to plan some activities. These don't have to cost a fortune, can include things you both enjoy, or experience something new. There are some great ideas online at Kidspot <a href="www.kidspot.com.au/school/school-holidays">www.kidspot.com.au/school/school-holidays</a>

Dr Justin Coulson <u>www.happyfamilies.com.au/blog/schoolholidayjoy/</u> discusses some main points of interest in managing the school holiday break to make it more enjoyable for all family members – not just the kids! These include:

- Limit screen time
  - Get creative with activities

- Boredom isn't bad
- Anxiety and Stress

Boredom is a common theme that parents have often talked to me about, especially during school holidays. As adults, we know it's normal to feel bored at times, and that if we don't want to feel that way, we need to act and change it. But kids often have no idea what this feeling is, other than it doesn't feel very nice. And unless they're shown, they don't make the connection that they can change that feeling by doing something. But what causes boredom? It's often a combination of inadequate rest or nutrition, low levels of mental stimulation, lack of choice or control over your daily activities, lack of a range of interests and/or poor perception of time. However for children, this translates as "I have nothing to do!". Some research indicates that continued or repetitive boredom can impact our wellbeing, increasing anxiety, depression and overeating. While other research shows that boredom can inspire people to seek out ways of being altruistic, empathetic and to engage in prosocial tasks.

A simple way to help your child manage their boredom is respond with this when they say "I'm Bored". It helps them problem-solve their boredom, but provides some guidance and ideas.

- B Build, craft or cook something
- O Outside play
- R Read
- E Earn some money
- **D** Do something for others

And here's a link to a great new online book that tackles the concept and gives a simple solution. It's called Bertrand the Bored and the Imagination Jar from the Australian Childhood Website:

 $\frac{https://australianchildhoodfoundation.crackerhq.com/pvl/9b20e31a6fa3c43f414af2fcb00f1a52/share/v1/8ccb9678-8c4d-4f21-acdc-322cd8979d22$ 

Have a wonderful holiday break and I look forward to seeing students and families in Term 2.

#### **SECOND HAND UNIFORMS**

Need some new uniforms for the cooler Term 2 weather? Kids shot up and nothing fits anymore?

We currently have an excess of second-hand uniform items, so from now until our school holidays start, we invite you to come and grab what you need for only \$10 a bag! (BYO reusable bag)

Second hand uniforms are currently located in the empty classroom off the office foyer. Items are set out on the tables and are organised into sizes for your convenience!

#### **INDIGENOUS PERSPECTIVES**

FIRE CARRIERS: Last Friday we had our Commissioning Ceremony for our new FIRE Carriers at the school. Existing FIRE Carriers helped the students be commissioned and receive their badges. We appreciated the attendance of Troy Firebrace and Michael Chisholm from Catholic Education. Congratulations to our New FIRE Carriers; Madisyn Morrison, Emily Dillon, Harry Morrish, Charlie Dickins, Kate Papworth, Rachel Thompson and Milly Kelleher.

**INDIGENOUS MURAL:** We are very excited to receive a grant that is allowing us to create a mural in the school with Aboriginal artist, Troy Firebrace. The FIRE Carrier students and students that identify as Aboriginal at our school have been involved in sessions with Troy in creating the design for this mural. The mural will show the Aboriginal creation story for our area and then link to our school. I feel very privileged to be part of this exciting project. It will be completed during the school holidays.
