PRINCIPAL'S REPORT

It is hard to believe we have managed to get the last week of Term, the longest stretch we've had for a few years at school. Whilst we haven't had any lockdowns or extended breaks it is important to note that we continue to have cases of COVID across the school and we encourage families to continue to test and remain vigilant. In addition, children who are sick, or displaying symptoms need to remain at home, both to protect others but also to aid their recovery regardless of the illness.

It was great to see a really large turnout of staff and families for the Harte Mass on Saturday night and the commitment mass for the sacramental children on Sunday. Our connection to the parish remains an important one and as we continue to build community and grow in our faith lives, these opportunities are indeed positive reflections of our Catholic faith lives. We look forward to continuing the preparations and celebrating together over the coming months.

Tomorrow we have a whole day of fun with the 'Billy Tea Bush Band' providing a day of entertainment and activities for everyone to enjoy. We look forward to lots of fun and excitement as we move toward the end of the term. Thanks to Mrs Teed for all her organisation, we certainly are excited by the visit and a wonderful day of dance, music and storytelling.

Tomorrow night, Tuesday 5th April at 7pm we will have a P&F meeting in the Rosarium. Having had two interrupted years, we are looking to reignite our parent connections and look forward to discussing opportunities for social interaction and fundraising for the rest of the year and beyond. Look forward to seeing you here.

Finally, thanks to everyone for your support this term, it certainly has been a big start to the year. All the very best for a safe, holy and happy Easter. We look forward to seeing everyone back for an exciting Term 2.

CATHOLIC IDENTITY

Rainbow Paddle Pops: Project Compassion Fundraiser

On the last day of term, we will have another opportunity to support Caritas. This year's theme "For All Future Generations" (Gen 9:12) is inspired by the biblical story of Noah's Ark. As such the Grade 6 Catholic Identity team has decided to sell Rainbow Paddle Pops for \$2 per ice cream on the last day of term (Friday 8th April). No other window sales will be available on the day, and all orders must be prepaid via FlexiSchools. You can start placing orders for Friday 8th April any time! (You can include the Paddle Pop in the same order as your lunch to avoid extra fees!)

PROJECT COMPASSION 2022

Fifth Week of Lent (Week beginning Monday 4th April)

This week through Project Compassion we learn about Shaniella who is attending a vocational school in the Solomon Islands supported by Caritas Australia Solomon Islands (CASI).

Not long after Shaniella started, the school was hit by a landslide, flooding and a cyclone, all in quick succession.

With your kind support, CASI helped install water tanks, restoring clean water access to nearby schools, health centres and the wider community. Training was held in agricultural skills to help boost the school community's food security, as well as in environmental risk management and emergency responses.

Now, Shaniella can complete her skills training, with enough water and food to eat and improved sanitation. She is improving her ability to earn an income by learning skills which will expand her job opportunities. Students are also better prepared to respond when disaster strikes.

Watch a short film about Shaniella's story <u>here</u>. Please support Project Compassion: <u>lent.caritas.org.au</u>

HOT CROSS BUNS: PROJECT COMPASSION FUNDRAISER

Thank you to those families who supported our fundraiser and placed orders for Hot Cross Buns. Hot Cross Buns will be sent home with children on Wednesday 6th April. If you do not want your order sent home with your child, please contact the office to make alternate arrangements.

PROGRAM SUPPORT GROUP MEETINGS (PSG'S) - TERM 1

Thank you to all parents who attended the PSG meetings either onsite or in a virtual manner. The meetings were a successful start to the year, where parents and teachers were able to discuss Term 1 goals, in addition to being able to consult and collaborate student goals moving forward into Term 2.

Furthermore, it was lovely to celebrate the success that our students are achieving within the classroom. This is to be celebrated and commended showcasing the importance and the added value of ongoing conversations that take place between home and school. - Mandy Antoniadis (Learner Diversity Leader)

If you are unsure of your child's house colour please speak to your child's teacher. A reminder, if you have a child in Grade 3-6 they will need permission via PAM to attend.

Health & PE Week

This week is Health & PE Week at Holy Rosary. As part of this week, students are encouraged to wear their sports uniform to school every day. All grades across the school will be taking the opportunity to participate in extra sport and health activities to celebrate this week. Some activities students can look forward to:

INTERSCHOOL CROSS COUNTRY (START OF NEXT TERM)

On Wednesday the 4th May (week 2 of next term), students in Grades 3-6 will be invited to run in the Interschool Cross Country at the Bendigo Race Track in White Hills. This event will be against other schools in the Bendigo region.

There will be a PAM note sent home to families at the start of next term with further details. Please be aware that we strongly encourage students to participate, but it is optional. Students who do not run will stay at school and undertake their normal school routine. If your student does not want to go, please select 'No' under the consent section on PAM activity when you receive it.

We expect that parents will be able to attend this event, following usual COVIDSafe guidelines.

PASTORAL CARE FRUIT SALAD FUNDRAISER - WEDNESDAY 6TH APRIL

To help promote healthy eating and healthy lifestyle during Health and PE week we will be having a Fruit Salad Pastoral Care Fundraiser.

All funds will help support the Pastoral Care Program including Breakfast Club, Food Share Pantry, meals for families, family support and uniform support.

Please support our Pastoral Care Team by enjoying a fresh and healthy snack of fresh fruit salad and jelly for \$3. Fruit Salad and Jelly will be provided to students during their eating time on Wednesday 6th of April. *We will only be able to accept cash payments for the fundraiser. We apologise if this causes any inconvenience*. Order forms were sent home last week, please note on the form if there are fruits to exclude for your child or if they would not like any jelly. **Forms must be returned by 9am Tuesday 5th April.**

BILLY TEA BUSH DANCE – TUESDAY 5TH APRIL

After a number of postponements due to COVID, we have finally been able to rebook the 'Billy Tea Bush Dance Band' to come to the school for a fabulous day of bush dance workshops on Tuesday April 5th. The day will involve the whole school and comprise of four activity rotations in House groups, culminating in a whole school bush dance on the tennis courts at 2:15pm.

Students may wish to dust off an Akubra or make a cork hat, or wear an Aussie style accessory to school on the day (please note, school sports uniform is still to be worn with just the addition of an accessory). We also ask that each student brings a gold coin donation for our Easter Raffle on this day.

PASTORAL CARE

Thank you to all the families and students who are supporting our Fruit Salad Fundraiser this week. We have had a wonderful response and hope all the students enjoy their fruit salad and jelly on Wednesday. The money raised will assist us to continue with our food share pantry, assistance to families with uniforms, meals to families when needed, and other pastoral care needs that may arise throughout the coming year.

I encourage any family who is in need of assistance to make contact with us. There is a great range of food in our food share pantry which may assist given the rise in the current cost of living.

It has been a long term for all the students and we are all looking forward to a safe holiday period. Enjoy the time with your family and children and we look forward to seeing all the students back for the start of term two. - Megan Gerrish (Pastoral Care, Welfare and Compliance Leader)

CYBER SAFETY: HOLIDAYS AND KEEPING CHILDREN SAFE ONLINE

Here are a few tips:

Talk as a family about what is ok and not ok to share online.

For example:

- $\cdot\,$ Whether any member of the family shares a photo of the house or pet's name online.
- $\cdot\,$ When to share family holiday photos and what photos can be shared.
- · What is not to be shared online.

If your child is receiving their first device, make sure that you get them to do a little presentation or write a small project sheet on cyber safety in the lead up to their first social media apps on the device.

Respect the classifications on games. The average age of a gamer is 34 - 36yrs old. Classifications are there for a reason. It is not ok for a child under the age of 18yrs to be playing R Rated games even with their parents!!! If your child is playing online games, set healthy boundaries around time playing as well.

Teach your kids to think twice before they accept a friend request or chat to a random stranger through a game. Just because someone is a friend of their big brother or sister or cousin who goes to another school does not mean they should let them into their life. Also, talk to them that online, someone may ask to be their online boyfriend or girlfriend (we hear this a lot from primary school-aged children at the moment). If this happens, they need to tell you immediately so that you can help block and report. They never know who they are talking to.

Know how to block and report on every app and game your child is using so that you can help when things go wrong if you don't know how to sit with your child and learn together.
