PRINCIPAL'S REPORT

Our first week was certainly a busy one and it was great to see everyone back onsite and enthusiastic in our return to school. Our opening school year mass was a great success, with the year six children and teachers organising the mass for us all. Fr Minh made everyone very welcome and I was extremely proud of the children and their participation in the liturgy.

Sunday's Gospel gives us two powerful images of what it means to follow Jesus. Having recently chosen his first disciples and delivered the sermon on the mount, Jesus uses salt and light to describe what it means to be people of the kingdom. We use the phrase 'salt of the earth' today to describe a decent person, a good human being, but I think that Jesus emphasises the difference a person can make in another's life. Just like salt that flavours and preserves food, we can enhance the lives of others by being people followers of Christ.

MARONG CUP

Again, the Marong Cup race day will be held Saturday 18th February and as an important fundraiser for the Catholic primary schools in Bendigo we are looking for volunteers. It is certainly a great opportunity to contribute to the school and at the same time meet other parents and model a sense of community to our children. As an extra bonus, Volunteers also receive FREE ENTRY to the cup on race day!

Tamara McIntosh is our representative on the committee and will coordinate our support. Please contact Tamara or the school office if you are able to provide an hour or two's help.

SWIMMING

Swimming sports will take place next Monday for our Grade 3 – 6 students. Thanks to Mr. Coates for all his work in organising this event. We welcome parents and spectators to the pool and look forward to a great day.

Check out our school Facebook page to stay up to date with the latest news!

BILLY TEA BUSH DANCE

The Billy Tea Bush dance duo will be at Holy Rosary on Friday 17th February, with lots of fun activities. We will finish with a whole school dance and invitations to parents have been sent home (you might need to check the bottom of the school bag). Thanks to Mrs Teed for coordinating the day and we look forward to lots of fun.

LEARNING CONVERSATIONS

It is great to see a large percentage of families who have 'booked in' for Learning Conversations. Our staff look forward to discussing the start to the year and setting goals for your children. Our learning conversations are an integral part of the assessment and reporting program at Holy Rosary and I encourage all families to ensure they are active in the process to support the children's learning.

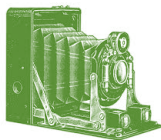

NAPLAN

NAPLAN tests will take place earlier this year for the Grade 3 and Grade 5 children. These tests are part of the National assessment regime and are now held online (except Grade 3 writing). This year the testing period will begin on the 17th March for 10 days with a timetable to be developed. Parents in each of these grade levels are free to discuss this with your child's teacher. We will continue to support all children as they prepare for the testing period.

CATHOLIC IDENTITY

WORLD DAY OF PRAYER, REFLECTION AND ACTION AGAINST HUMAN TRAFFICKING

On February 8th, we celebrate the Feast of St Josephine Bakhita, the patron saint of the survivors of human trafficking and enslaved people.

In 2015, Pope Francis designated this day to be observed throughout the Universal Church as the World Day of Prayer, Reflection and Action against Human Trafficking.

May we be instruments of God's love by bringing hope to the millions around the world who are still the subject of human trafficking. Today and always, let us pray, reflect and take action against human trafficking! St. Josephine Bakhita, pray for us.

SCHOOL WEEKDAY MASSES

Beginning this Friday, each year level will take turns in actively participating in the Friday Parish mass held @ 9.15am. PARISH NEWS

St Vincent de Paul ran an appeal to support communities affected by floods in October and November, especially in our own Diocese: across Victoria, including Echuca, Shepparton and Mooroopna

The Appeal closed at the end of December 2022 and we are delighted to report that we had a fantastic response from the community, raising just over \$500,000.

These funds have already been put to use with food and petrol vouchers, insect repellent and bedding such as mattresses and bases.

TERM 1 LEARNING CONVERSATIONS

Bookings for the Term 1 Parent Teacher Learning Conversations will close today at 3.30pm. All bookings are to be made using your SIMON Everywhere and/or PAM account. These conversations will discuss children's progress and learning goals.

LEARNING CONVERSATIONS WILL BE HELD ON:

Tuesday 7th February – 3.30pm – 6.30pm

Wednesday 8th February – 3.30pm – 6.30pm

All families are strongly encouraged to make a booking for their child/ren. Due to time restraints, please only make one booking per child per family. If you feel you need more time due to more complex issues, please schedule another meeting time directly with the classroom teacher or our Learner Diversity Coordinator, Mandy Antoniadis.

If you require any assistance in booking your Learning Conversation, please speak to the Office.

Please note, students in 4LS will be offered alternate options for Learning Conversations due to scheduling conflicts. An email will be sent to parents with more information.

LEARNER DIVERSITY: PROGRAM SUPPORT GROUP "PSG" MEETINGS

Welcome back to 2023! The Program Support Group (PSG) Meetings are scheduled meetings that provide collaborative discussions between school, home and external therapeutic support for students with additional needs within our school. These conversations support the set goals and adjustments that are developed, to guide and reinforce the learning that takes place within the school setting.

As we move forward into 2023, careful consideration and thought has been put in place regarding the scheduling of PSG meetings, to ensure they align with the new Enterprise Bargaining Agreement (EBA) for teachers. The EBA will impact on teachers' workloads and your access to teachers outside of school hours. Therefore, PSG meetings will take place each Friday during Term 1; beginning in week 5 through to Week 9. In addition, meetings will now run for 35 minutes to allow parents, teachers and the Learner Diversity Leader to discuss the student's personalised learning plan (PLP) with an emphasis on the student's goals that have been put in place to support the learning for your child. – Mandy Antoniadis (Learner Diversity Leader)

BUS PRICE INCREASE

Due to increased running costs, the price for our school bus has increased to \$2.00 per trip (i.e. \$4.00 per day if catching to and from school each day). This price change came into effect last week when our regular bus families were notified via email.

STORYBOX LIBRARY ACCESS

We are really pleased to be able to share with the school community access to StoryBox Library.

Story Box Library is a subscription based educational website, created for children to view stories by local authors and illustrators, being read aloud by fantastic, predominantly Australian and New Zealand, storytellers.

Reading aloud to children, in particular by diverse and engaging storytellers, greatly improves language and literacy skills, especially in the early years of a child's development.

You are welcome to use this resource as much as you wish at home, it could be used as an enjoyable bedtime story alternative or for kids to listen independently in their down time.

Use the following details to login for access to StoryBox library's full range of books.

PASTORAL CARE

We are back, loving being at school and outside with our friends on the yard. It has been wonderful to see parents onsite at school for drop off and pick up and back in the canteen helping. We started our **Community Breakfast Program** last week. With vegemite toast and milo ready for students to eat as their first or second breakfast. The community breakfast program will be on each Thursday morning from 8:30 to 8:55am. We are cooking a minimum of 7 loaves of bread a week and they are being consumed very quickly which is great to see. We are able to run the breakfast program with most of the goods being supplied by FoodShare (bread & UHT milk). If you are able to donate a tin of Milo to our community breakfast program it would be greatly appreciated.

FoodShare is back up and running. Our FoodShare pantry is in the Rosarium with the second-hand uniform store. Please let myself or your class teacher know if you would like a bag of items sent home or you as a parent can access the area and can pack your own FoodShare bags. We are lucky this year to have all our cold, frozen and pantry goods in the same area. FoodShare is delivered on a Tuesday morning.

Have a wonderful week and enjoy the sunshine. - *Megan Gerrish (Pastoral Care, Wellbeing and Compliance Leader)*

CYBER SAFETY: INTERNET SAFETY WEEK

Tuesday 7th of February is Internet Safety Day. It is important we are having regular conversations with our children about being safe online. As parents and carers, you play a crucial role in empowering and supporting children and young people to use digital technologies responsibly, respectfully, critically and creatively. Indeed, parental influence, guidance and education have a significant and long-lasting impact on children's safety and well-being in the online world. Therefore, there are plenty of ways for you to participate in Safer Internet Day, whether it is by ensuring an open dialogue with your children, educating them to use digital technologies safely and positively, or acting as digital role models.

That's why we are calling on Australians to Connect. Reflect. Protect.

Connect safely and with purpose – by keeping apps and devices secure and using social media in positive ways.

Reflect before we act – by taking a moment to consider how what we do and say online may affect others.

Protect ourselves and others by taking action – by telling family, friends or colleagues about eSafety and how we can help.

BILLY TEA BUSH BAND

We are very excited to welcome the Billy Tea Bush Dance Band back to Holy Rosary this year for a fabulous day of bush dance workshops and Aussie themed activities on Friday February 17th.

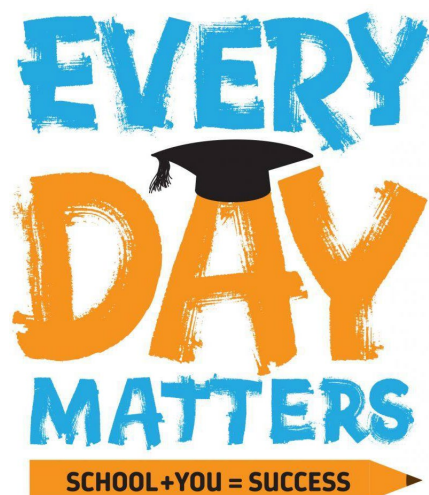

The day will involve the whole school and comprise of four activity rotations in House groups throughout the day, culminating in a whole school community bush dance on the tennis courts at 2.15pm.

Parents, carers and family members are warmly invited to attend the Community Bush Dance on the Tennis Courts at 2.15pm.

Students may wish to dust off an Akubra, make a cork hat, or wear an Aussie style accessory to school on the day. We are looking forward to welcoming the Billy Tea Bush Band to Holy Rosary for a fun-filled day, building and developing musical skills and social connections within our school community.

ATTENDANCE UPDATE

At Holy Rosary Primary we are passionate about students attending and participating in their learning on a daily basis. Over the past few years, regular attendance has been difficult with remote learning and illness. It feels like this year we have the opportunity to promote and encourage excellent school attendance at Holy Rosary. Students attend school regularly to learn, socialise with friends and to prepare themselves to take their place in society as well-rounded and responsible citizens. Holy Rosary encourages you to have your child/children attend school on a daily basis. It is important as parents we try to make appointments when possible after school for our children so it is not impacting their time at school, although understanding this is not always possible. Please talk to your classroom teacher if your child will have appointments on a regular basis that may take them out of the classroom. We do encourage all children to stay home if they are unwell or showing signs of illness. In my role as pastoral care and well-being leader I am here to assist parents, families and students if attendance is becoming difficult or you are finding your child is not wanting to attend school regularly. There are many strategies we can work on together that can strengthen your child's resilience and understanding of why regular school attendance is important. - Megan Gerrish (Pastoral Care, Wellbeing and Compliance Leader)

CONVEYANCE ALLOWANCE PROGRAM (CAP) 2023

The Conveyance Allowance is a form of financial assistance from the Victorian State Government to assist families in rural and regional Victoria with the cost of transporting their children to their nearest appropriate school. The allowance is available to parents who are required to –

- drive their child more than 4.8 kilometres to school (if there is no school bus)
- or drive their child more than 4.8 kilometres to meet the nearest school bus to the school
- the child must attend their closest government or non-government school (Catholic)
- the allowance is based on kilometres travelled and not based on any financial eligibility

Distance is calculated by the shortest practical route from home to the school or from home to meet the nearest school bus to the school. Distance can be calculated by using Bing Maps. Application and Authority to Pay Forms required to be completed by a parent are available from the school office.

Parents who received the Conveyance Allowance in 2022 do not need to complete a new form in 2023 unless their children enrolled at Holy Rosary in 2022 have changed (i.e. Gr 6 student left at the end of 2022 or a Foundation child commenced in 2023). If your family circumstances have changed, a new form needs to be completed in 2023.

If you have recently changed address, please advise the office if you are no longer eligible. Application and Authority to Pay forms need to be completed and returned to the office by Friday 10 March 2023 please.

Further information can be found at: <https://www2.education.vic.gov.au/pal/conveyance-allowance/policy>

If you are unsure if you may be eligible, please do not hesitate to contact the school office.

How Can We Help?

We may assist with

- Practical Help (Meals, groceries etc)
 - A Listening Ear
 - School Attendance
- General information & advice, with links to outside agencies & community support
