PRINCIPAL'S REPORT

Welcome to the 2024 school year! Witnessing the return of students and their parents to the school grounds this morning filled me with great delight as we embark on another exciting year together. The onset of the new school year brings a delightful mix of anticipation and enthusiasm. It was truly uplifting to hear everyone share their holiday stories and witness the gathering of both old and new friendships.

There's a distinct sense of magic in this week and as the principal, someone who has experienced numerous 'first days back,' I constantly feel privileged to be part of the families' excitement as they send their children off for the new school year. A heartfelt welcome goes out to our 38 new Foundation students and the 10 other new students across the school. We genuinely hope they quickly find their place in our school community. We eagerly look forward to getting to know each of them better and warmly embracing them into this special learning community.

Over the past few weeks, the staff have been in school busily preparing for the new school year. I thank them for their efforts and dedication and wish them a fruitful and rewarding school year. We welcome new staff; Priscilla Bateman (LSO Gr 1) and Ella Turk who will complete a traineeship with our school this year and will work in support roles.

The Marong Cup will be held on Saturday 17th February, it is a great opportunity for the parents and students of the school to engage in a fun social event. There are a lot of fun attractions and rides for the students to participate in and it would be great to see as many families as possible, support Holy Rosary as one of the organising schools for the cup. We will have opportunities for volunteers, please stay tuned for more information.

A reminder to everyone that the gates open at 8.30am and classrooms are accessible at 8.50am. We have before school care available in the Rosarium through our partnership with YMCA and encourage families to utilise the service rather than arriving excessively early.

Our drive through pick up is again a very popular pick up and drop off site. Please remember that children should not be dropped off prior to 8.30am. It is safer for these children to wait at the gate near the playground. In the afternoon we ask that parents remain in your car and should your child be a little late, a lap of the area will need to be taken to ensure a flow of traffic. It is also important that the line-up does not extend into Hamelin Street.

Our bus to Huntly is fully booked and we thank families for their prompt response to our new process. We continue to have a great relationship with Godkins bus lines and appreciate the service they provide. Parents are reminded that payments are required for the bus before the end of week 3.

We have our Term 1 learning conversations scheduled in the next week and bookings can be made online via your PAM account. It is always a great opportunity to meet parents, discuss the goals for the term and ensure we have the best possible start to the year. I urge all families to meet whether it is in person or via an online catch up to support the partnership between home and school. I hope as the year unfolds it provides many special memories, successes and growth for children, families, staff and the Holy Rosary community.

CATHOLIC IDENTITY

CATHOLIC SANDHURST THEME FOR 2024 - BEHOLD I MAKE ALL THINGS NEW.

'Behold' is used 1,298 times in the King James version of the Bible. It is derived from the Greek word 'eido,' which has the literal translation of, be sure to see or don't miss this. Behold meaning: see or observe, to hold in view, look at. "Behold, I am making all things new" (Rev. 21:5). Our Lord comforts us in our fear, brings hope to the hopeless, brings new life and purpose out of nothingness, and longs to transform your heart if you give him permission to.

WORD OF GOD SUNDAY – 4th FEBRUARY

Pope Francis instituted the celebration of Word of God Sunday in September 2019 to encourage the celebration, study and sharing of the Word of God. The Catholic Church in Australia celebrates Word of God Sunday on the first Sunday in February each year.

JOSEPHINE BAKHITA FEAST DAY - 8th FEBRUARY

February 8 (Thursday) is the Feast Day of St Josephine Bakhita, the patron saint of victims of modern slavery and human trafficking. It is a day when Catholics are encouraged to remember and pray for all those affected by modern slavery and human trafficking and to commit to practices (for example when purchasing) that eliminate these scourges from society.

WORLD DAY OF PRAYER, REFLECTION AND ACTION AGAINST HUMAN TRAFFICKING

In 2015, Pope Francis designated this day to be observed throughout the Universal Church as the World Day of Prayer, Reflection and Action against Human Trafficking.

May we be instruments of God's love by bringing hope to the millions around the world who are still the subject of human trafficking. Today, and always, let us pray, reflect and take action against human trafficking! St. Josephine Bakhita, pray for us.

STUDENT OF THE WEEK - CATHOLIC VALUE AWARD

This year we are introducing a value of the week award, which will be our NEW Student of the week certificate. This is a whole school initiative, therefore each year level will be looking for a student who best demonstrates the specific value of the week. In class each Monday students will be introduced to a new value and ways they can live out the Catholic value in our school community. This week our Saint Hero is St Monica who displayed the value of Patience. Next week's Saint Hero will be St Josephine Bahkita who displayed the value of Hope. We encourage you to discuss each Saint and their value with your child/ren, helping them to learn how they can live out our Christian values.

St Josephine Bahkita

1868-1947

Josephine was treated horribly as a slave from a young age. She was looked after by an Italian consul at age 14, who treated her with kindness. Her life was an example of hope because she was able to discover and pursue her vocation to be a nun. She also dedicated her life to helping the poor and the suffering.

3 Practical Ways To Live Hope Out:

- Not giving up when we've failed at a task
- Seeing my weaknesses as opportunities for growth
- Focusing on the strengths of others in group activities

Hope is the theological virtue that gives us the grace to have complete trust in God. Hope allows us to stay positive through trials. The opposite of hope is falling into discouragement and trusting in our strength alone.

LEARNING DIVERSITY:

PROGRAM SUPPORT GROUP MEETINGS (PSG'S)

Welcome back to 2024! The Program Support Group (PSG) Meetings are scheduled meetings that provide collaborative discussions between school, home and external therapeutic support for students with additional needs within our school. These conversations support the set goals and adjustments that are developed to guide and reinforce the learning that takes place within the school setting.

As we move forward into 2024, careful consideration and thought has been put in place regarding the scheduling of PSG meetings, to ensure they align with the Enterprise Bargaining Agreement (EBA) for teachers.

This year our PSG meetings will take place each Monday beginning week 4: February 19th, through to Week 9: March 25th. PSG's will run for 35 minutes to allow parents, teachers and the Learning Diversity Leader to discuss the student's personalised learning plan (PLP) with an emphasis on the students goals that have been put in place to support the learning for your child.

SPEECH PATHOLOGY:

As we return for the 2024 school year, speech pathology at Holy Rosary has significantly reduced to fortnightly sessions. As per many sectors and faculties within the workforce, Catholic Education Sandhurst (CES) have found it difficult to fill this position and to provide us with the weekly support we have been so privileged to receive in the past.

We are fortunate to have Ms. Georgia Donat take on the speech pathology role for 2024. I look forward to working with Georgia as we continue to support the needs of our students. I thank you in advance for your patience, as we navigate our way through our current caseload list.

CONVEYANCE ALLOWANCE PROGRAM (CAP) 2024

The Conveyance Allowance is a form of financial assistance from the Victorian State Government to assist families in rural and regional Victoria with the cost of transporting their children to their nearest appropriate school. The allowance is available to parents who are required to –

- drive their child more than 4.8 kilometres to school (if there is no school bus)
- or drive their child more than 4.8 kilometres to meet the nearest school bus to the school
- the child must attend their closest government or non-government school (Catholic)

- the allowance is based on kilometres travelled and not based on any financial eligibility

Distance is calculated by the shortest practical route from home to the school or from home to meet the nearest school bus to the school. Distance can be calculated by using Bing Maps. Application and Authority to Pay Forms required to be completed by a parent are available from the school office.

Parents who received the Conveyance Allowance in 2023 do not need to complete a new form in 2024 unless their children enrolled at Holy Rosary in 2024 have changed (i.e. Gr 6 student left at the end of 2023 or a Foundation child commenced in 2024). If your family circumstances have changed, a new form needs to be completed in 2024.

If you have recently changed address, please advise the office if you are no longer eligible. Application and Authority to Pay forms need to be completed and returned to the office by Friday 8th March 2024 please.

Further information can be found at: <https://www2.education.vic.gov.au/pal/conveyance-allowance/policy>

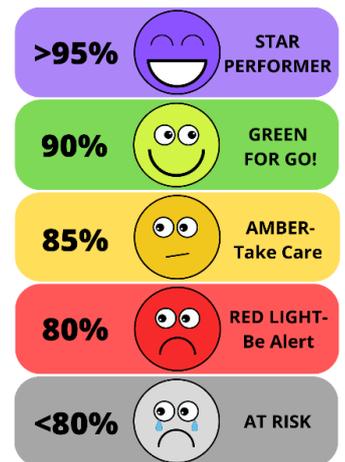

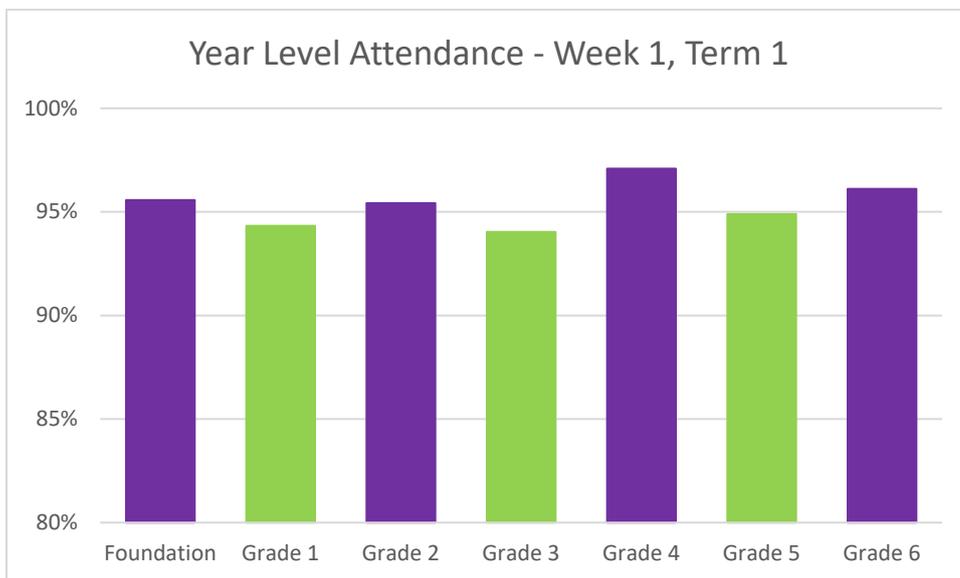

If you are unsure if you may be eligible, please do not hesitate to contact the school office.
